26th February 2016

Dear Parents & Carers,

Friends of Bedford Free School Quiz Night & Raffle!

It's been a short but intense term to date, so it seems only right and proper that we mark the coming of spring with a chance for everyone to put their knowledge to the test! With this in mind:

The Friends of Bedford Free School

Quiz Night & Raffle

Friday 18th March 2016 - 7pm onwards

On this occasion I will be Quiz Master – expect lots of questions on 1970s rock and British politics. (No doubt Mr Donald will claim that any poor performance by his team will be down to the questions being too low-brow for him.)

- **There'll be an entry fee of £1 per person** – we'll collect this money on the night & there is no upper limit to the size of the team you can have (within reason...)
- **We'll organise fish 'n' chips or sausage 'n' chips for all those who want it** (details below) – and feel free to bring along your own drinks & nibbles.
- **We'll be running a raffle during the evening** – DONATIONS for prizes would be very gratefully received. All profits from the night will go to the Friends of BFS.

They've been great nights previously – looking forward to seeing lots of you there!

Mark Lehain

Please complete and return the reply slip with money, which is non-refundable, to **Miss Carter** in the school office by: **Monday 14th March**
