Year 7 & 8 Cross Country

The Bedfordia cross country event at Lincroft is the biggest cross country event in the area attracting over a thousand students to compete over the grueling course. Bedford Free School had two students in each event. The year 7 girls Emma Abbey and Hannah Major represented us in the first race. Both girls didn't disappoint with Emma finishing 6th and Hannah 33rd out of over 200 athletes! Isaiah Nahar and Jack Woolhouse ran for the year 7 boys. Isaiah unfortunately had to drop out after injury but Jack persevered and came home in the middle of the pack. The year 8 girls reflected the performance of their year 7 counterparts with an amazing display. Grace Flemons finishing strongly in 14th and Sakia Bakhcha 42nd. The boys race Noah West finished 109th with Scott Hales 162nd. Next up is the Priory Marina cross country event on the 26th of Jan. See Mr Cox if you would like to be involved.
