

BFS Sports Report

23/02/17

County Handball

Year 7 and 8 boys handball team played at the county finals yesterday afternoon along with the other top seven teams from Bedfordshire. There were two groups of teams, where the winners of each group would play each other in the county final. BFS won three out of their four group games and went through to the final as group winners. We faced Gilbert Inglefield Academy in the final, in what was an end-to-end game right until the final whistle. Unfortunately they scored two last minute goals to beat us 5:3. it was a very proud day for BFS and the students that represented us deserve a special mention. Finishing 2nd in the County. Players were; Mario, Brandon, Darius, Anton, Nathan, Samuel (in year 8) and Owen, Josh and Cameron (in year 7)

Year 7 football

The year 7 team opened their campaign with a comprehensive victory over Castle Newnham. The boys dominated from the opening whistle with Owen Brooks Tomkin (OBT) opening the scoring. Cameron Connor (Big Cam) then added to the score. The boys played some great football with skipper Josh keeping things tight at the back. OBT and Big cam helped themselves to a hatrick each. Josh got on the scoresheet and Rahim finished beautifully to make the final score 8-0 to BFS! Next game is a tough game against KCA.
