Year 7 & 8 handball

The year 7 and 8 handball team played in the district tournament last night which included the majority of schools from Bedford. Despite having had only one lesson on handball, the boys were amazing. We lost the first of our three group games 4:3 to Newnham School where Darius Alexandrescu scored all three goals. However, we won our next two group games against Kempston Challenger Academy and St Thomas Moore, 5:2 and 3:1. After these two wins we went through as group winners and played Lincroft School in the semi-final. We beat them 4:3 and progressed to the final. Unfortunately, the boys lost to Westfield School after golden goal, Despite losing in the final, we, along with Westfield, progressed to the County finals. Massive shout out to Darius Alexandrescu who was voted as man of the match and also praised by all of the other schools at the tournament. BFS's first ever County finalists are:
Nathan Murphy, Brandon Markland, Mario Lopez, Anton Obisanya, Jayden Gilbert, Darius Alexandrescu, Josh Dougan, Cameron Connor.
