

RSM/ELO

12th July 2016

Dear Parents/Carers,

School Library

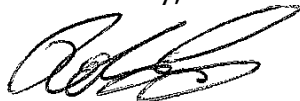

As you may be aware, students at Bedford Free School can make use of our school Library facilities on a daily basis. Many students make use of this facility and as such a number of library books are currently out on loan.

So that we can complete an audit of all of the school library books we are asking that any books students currently have out on loan be returned before the end of term on Friday 22nd July.

From September students will be subject to a 10p per day fine for any late library book, with a maximum fine of £5 for those with long term late books or if a book has been lost.

Thank you for your cooperation.

Yours sincerely,

Mr Smart
BFS Library
