Year 11 Progress Evening, Mock Results and Next Steps Evening

Dear parents/carers,

Following the recent mock examinations I am writing to confirm that there will be a Year 11 Progress Evening on **Thursday, 8th December**. The evening will run from 5pm – 8.30pm and will contain the usual appointments with subject teachers as well as collection of mock results on arrival and the very important 'Next Steps' event where staff from a variety of sixth forms and colleges will be available to discuss post-16 courses and options.

I am aware that most students have been attending the various 6th Form open evenings locally, and I would encourage them to do so, however the Next Steps evening is unique because we bring all the local providers to BFS and it provides a great opportunity to really discuss courses, entry requirements and all the other big questions.

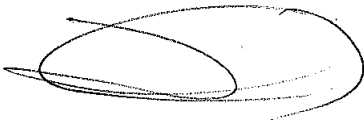

During your appointments with teachers, they will discuss mock results with you and help you to understand exactly what still needs to be done between now and the summer. Staff will not be sharing any results with students until they pick up their envelopes on December 8th, so it is essential that you are there on the night.

Students will shortly be issued with their appointment sheets and will book appointments in the usual way. Please be aware that you will need to plan to collect mock results, meet your child's teachers and attend the Next Steps event. You may decide to talk to the 6th Form providers before or after your appointments with teachers, the choice is yours.

I am sure you will appreciate just what an important evening this is for all Year 11 students, but please be aware that if you cannot attend, you will need to make an appointment to come in and meet with me in order to collect your child's mock results. Please complete the reply slip below to confirm your attendance, and return to your child's form tutor.

If you have any questions, please do not hesitate to contact me.

Yours faithfully,

Mr P. Donald
 Deputy Principal (Academic)

Please return to FORM TUTOR
