

Physics Knowledge Map - Waves and Energy Transfer

Keywords you should be confident with by the end of this topic

| | | | | |
|---------------|---------------------|-------------------|---------------------|-----------------|
| Reflection | Refraction | Longitudinal wave | Oscillate | Transverse wave |
| Crest | Trough | Frequency | Hertz | Transparent |
| Translucent | Specular | Wavelength | Absorb | Image |
| Lens | Retina | Diffuse | Photovoltaic effect | Cornea |
| Temperature | Energy Transfer | Spectrum | Insulator | Infra-Red |
| Fuel | Thermal equilibrium | Conductor | Watt | Power |
| Kilowatt-hour | Calorie | Metabolism | | |
