

# LEARNING AT HOME

Each morning, log in to Show My Homework using your **own** username and password

Make a note of your work for the day. Then put your phone away and turn off any devices you don't need

At the end of the day, log back on to upload work if your teachers have asked for it. Rest and spend time with your family

Use your timetable to help structure your day. Take breaks. Do your best – but know you can count on us for support now (we'll do our best!) and when you come back

Stay Indoors

Keep Fit

Wash Hands

Work Hard

Be Nice

## Year 10 Timetable
